Greetings unto the Populace!!

Is spring in the air? Wait, more snow! No, wait, it's sunny and warm! Now, it's rainy and cold. Ah, Springtime in Brendoken! Where there is no telling what outfit you'll need from one minute to the next.

As we approach this chaotic season, the Midrealm calendar of events is filling up fast with both virtual and in-person events. And with the Pandemic numbers slowly falling, the chances for us to start getting together in person increase.

We have our own virtual event coming up the middle of April, in the Marche of Alderford, and it's not too late to get in those award recommendations! They are also looking for members of the populace to teach classes on all subjects. So please, reach out to the event staff and share your knowledge with others. We look forward to a full schedule that day.

We know that you are as anxious to get back to some form of "normal" as we are. A "normal" of busy events, martial activities, good friends and fellowship. We are holding out hope that that time is drawing near. And we look forward to seeing your smiling faces in person!

Yours in Service,
Cadwgan and Eadaoin
Baron and Baroness of Brendoken

Cooling Neck Wraps by Lady Seonaid inghean Ghriogair, CW Kingdom Chatelaine

I started on a HUGE Pennsic project and if you would like to join me, that would be AWESOME!

For Pennsic this year, I am making cold/cool water neck wraps to be given to members of the Midrealm Army (this includes any other Kingdoms fighting for Midrealm as well), Rapier Corp, Field Marshals, Midrealm Target Archers, and Midrealm Thrown Weapons.

I know that a lot of people are undecided if they will be attending Pennsic and that is totally fine, do what is best for you.

I know it's going to take several hundred wraps to cover everyone, I'm currently working on approx 150 just from my scrap cotton/linen. I have two full bolts of red and green fabric coming soon. That totaled will give me approx 600 wraps. I'm concerned that won't be enough. If you would like to join me in the project A 1 yard piece of fabric that is 44" wide will give you 11 wraps so it doesn't take much fabric to make them.

Once you got the first part done, you can send them to me and I will add the required pellets and do the last little bits of sewing.

If you would like to make this a Challenge to see which Region has made more, we can absolutely do that. Get all your groups involved

Let's work together as #onemidrealm to provide our Army with a much needed resource to keep cool during the Pennsic heat on the battlefield.

If we have a significant number left over once all of Midrealm Army has received one, we can leave the surplus at a designated point for anyone who needs/wants one or we can as a good will gesture, donate them to the East Kingdom.

Instructions for the first part:

1) Fold the 36" 4" piece of fabric right sides together lengthwise

2) Sew along long side leaving both ends open

3) Turn tube right side out. Fold in half, mark the middle and then stitch across. Please send the completed pieces to:

SCA Kingdom of the Middle Seneschal

The CDC has updated the guidelines related to masking indoors, reflecting the fact that vaccination prevents hospitalization and death.

With the changes in the CDC guidance for vaccinated individuals and the fact that none of the states covered by the Midrealm are enforcing indoor masking effective March 1st. We are moving the Midrealm to Tier 2 mitigation effective March 7th. The one-week delay is to allow Winter War Maneuvers to occur as planned and to give other groups time to take account of these changes.

Under tier 2 –

1) Masks are optional at events indoors and out.

2) Risk disclaimer must be posted at event and on website and all promotional flyers, preregistration and/or contact tracing is required per society policy – Society for Creative Anachronism (sca.org)

3) COVID Safe policy remains in effect, you must be vaccinated or show negative COVID test (at home antigen tests do not meet this requirement) Society for Creative Anachronism (sca.org)

4) There are no restrictions on food or drink service.

INTERWEBS IN THE SCA By Deirdre MakKyneth Social Media

Whether we meet in person, or virtually, social media is here to stay! BUT We have a wonderful alternative to Facebook. While still in a beginning state, Discord is quickly becoming popular and useful for our group and its purposes. There are specific "chat rooms" for armored, rapier, bardic, etc. As well as general chat just to say "Hi, How is your day?" Audio/Video chat are options as well.

"How do I join?" You just go to <https://discord.com/> or download the app and register! Once there you can click on <https://discord.gg/8wknpgYf2k> to join Brendoken's server.
